**Annual Reports of the  
Town of Seabrook**  
New Hampshire

**1992**

**For the Year Ending December 31st  
As Compiled by the Town Officers**

COVER: **"Old Betsy"**

"Old Betsy" was Seabrook's first motorized fire truck. It was built by George Austin Weare (shown standing) who converted the 1932 Model "A" Ford into a tank and pump truck. "Old Betsy" was destroyed, along with the Passaconaway hand tub, during the Barr and Bloomfield factory building fire in 1964.

Shown sitting on the truck is Weare's sister, Lydia Mary Weare Gould, then 16 years old. She drove the truck to a fire one day when none of the volunteer firemen came to get it. After the fire someone suggested that she drive it home and she said she shouldn't because she didn't have a driver's license!

**Annual Reports  
of the  
Town of Seabrook**

**New Hampshire**

**For the Year Ending December 31st**

**1992**

**As Compiled by the Town Officers**

## DEDICATION

This town report is dedicated to the memory of deceased Seabrook fire chiefs. These men served unselfishly and faithfully devoted much of their time to saving lives, protecting property and building a fire department to meet the needs of the future. It is obvious that the dedication of these men had an impact on the entire community and especially on their families. Many of their brothers, sons and grandsons have served as fire fighters and that tradition continues today. Many of their mothers, wives, sisters and daughters have served as members of the ladies' auxiliary.

## DECEASED SEABROOK FIRE CHIEFS

This memorial dedication has been compiled from personal conversations with many people -- family members, firemen and friends of the chiefs -- and from information contained in town reports from 1932 to the present, as well as from news clippings, photo albums and scrapbooks loaned to the selectmen for this project. It would be a monumental task to prepare a complete history of the Seabrook Fire Department but I personally feel no better tribute could be made to all the brave fire fighters we all depend on throughout our lives.

Narrative prepared by Margaret E. Wetherington at the request of the Board of Selectmen.

George Austin Weare, Fire Chief 1932 - 1933  
and 1939 - 1944

Died November 11, 1979, age 72

The town's first fire chief was appointed in 1932. Then 23 years of age, Weare was the youngest fire chief in New England. In the 1979 town report, which was dedicated to Weare, it is noted that he built the town's first motorized fire truck himself.

**Frank Ashley Perkins, Fire Chief 1934 - 1938**  
Died February 14, 1958, age 61

Perkins was also tax collector from 1935 through 1937.

**Alfred Waldo Locke**

Died April 19, 1955, age 43

Locke was a "temporary" chief prior to Henry Kendrick. He was issued the first Seabrook Firemen's Association membership card and the first key to the building. He was a fireman for many years and was elected a town constable several times. Locke drowned after his car went off the road and into the marsh in Hampton Falls during a high-run tide.

**Henry S. Kendrick, Fire Chief 1945 - 1966**

Died December 3, 1978, age 72

Kendrick was a member of the fire department for 36 years, 22 of those as chief. At one time he was the foreman of the Passaconaway handtub, was a fire warden for many years and was instrumental in the formation of the Seabrook Firemen's Association. During his tenure as chief his efforts to improve the department resulted in the purchase of two new trucks in 1946 and continued through the years to 1965 when a transistorized fire alarm system was installed at the fire station and in 1965 the purchase of a new tank truck was approved at town meeting. Kendrick was the son of Frank Kendrick, a long-time Amesbury fireman.

**Albert M. Smith**

Died February 18, 1969, age 64.

For many years "Al" Smith was an "acting chief" in the absence fire chiefs who were at work or out of town. Many people and Smith himself called him "chief". He wore a uniform, had a badge, and he went around to schools to talk with youngsters about fire prevention and safety. In 1963, Smith received a certificate of merit from the state for having served as a New Hampshire forest fire warden for 21 years before losing both legs by surgical amputation. He had been injured at Seabrook Beach while working as a police officer.

**Myron Newhall Felch, Fire Chief 1957**

Died October 16, 1963, age 47.

Felch served as "acting chief" for several months during 1944-45. Sometime in the mid-1950's Chief Kendrick resigned and Felch was appointed fire chief for a short time. The 1957 town report shows payment of \$300 to Felch for "chief's salary". Felch died in the driveway of his home from a heart attack when he was returning from fighting a fire in Salisbury.

On June 28, 1957, town meeting voted to have the fire chief elected by ballot at annual town meetings.

**Ronald Millard Eaton, Sr., Fire Chief 1977 - 1980**  
Died May 8, 1992, age 57

Eaton was elected fire chief in 1977 after having been a permanent fire fighter for four years and a call fire fighter for 24 years. He served as captain for six years and as deputy chief for nine years. Eaton was a firm believer in training, fire prevention, inspections, and utilizing the knowledge of all the firemen within the department. Eaton retired early as a permanent fire fighter in 1985 because of a health problem. He continued serving the town as chairman of the building committee and participated in the ribbon cutting ceremony for the new fire station on May 21, 1988.

**Article 2:** Do you favor the continuation of the town manager plan as now in force in this town?

(On the Official Ballot)

YES 1286 NO 597

**Article 3:** Are you in favor of the adoption of the amendment to the existing zoning ordinance as proposed by the planning board which creates a wetland overlay district as follows?

**ARTICLE X - Wetland Overlay District**

**SECTION 263-65 - Purpose:** In the interest of wise land use and the public's health, safety, convenience, and welfare, the purpose of this article is:

- to encourage those land uses that can be appropriately and safely located in wetland areas;
- to protect wildlife habitat;
- to prevent the pollution of surface waters and groundwater;
- to prevent the destruction of wetlands which provide flood protection and storm water storage, recharge of groundwater supply, and augmentation of stream flow during dry periods;
- to prevent inharmonious use of wetlands which would cause excessive or untimely expenses to the Town.

**SECTION 263-66 - Wetlands Defined:** Wetlands are those areas having Poorly Drained Soils or Very Poorly Drained Soils, as designated by the National Cooperative Soil Survey conducted by the Soil Conservation Service, USDA.

**SECTION 263-67 - District Boundaries:** The Wetland Overlay District encompasses all Poorly Drained Soils and Very Poorly Drained Soils in the Town of Seabrook. In all cases where the requirements of this article are inconsistent with the requirements of another zoning district, the district regulations which are the more restrictive shall apply.

**SECTION 263-68 - Wetlands Delineated:** Wetland areas shall be identified by a High Intensity Soil Survey

conducted by Soil Scientist who is certified by the State of New Hampshire.

**SECTION 263-69 - Permitted Uses on Poorly Drained Soils:** The following uses are permitted on Poorly Drained Soils:

- A - Forestry**, tree farming & agriculture;
- B - Wildlife habitat** development and management;
- C - Parks and recreation** uses that are consistent with the purposes of this article.
- D - Conservation** areas and nature trails;
- E - Driveways** serving single-family and two-family dwellings;
- F - Single-Family and Two-Family Dwellings**, and accessory buildings such as garages and tool sheds.

**SECTION 263-70 - Permitted Uses on Very Poorly Drained Soils:** All uses detailed above in Section 263-69 A thru E are permitted on Very Poorly Drained Soils.

**SECTION 263-71 - Prohibited Uses:** All uses that are not specifically permitted in Sections 263-69 & 263-70 above are prohibited. Prohibited uses include multi-family dwellings, commercial development, and industrial development.

**SECTION 263-72 - Roadways:** No roadway shall be constructed over wetlands until a Conditional Use Permit for same is obtained from the Seabrook Planning Board. The Planning Board shall grant such a permit only upon finding that all of the following conditions are met:

- A - The proposed construction is essential** to the productive use of non-wetland areas;
- B - No alternative route is available**, i.e. alternative routes that would have a less detrimental impact on wetlands;
- C - Permits from the NH Wetlands Board and the U.S. Army Corps of Engineers** are submitted to the Planning Board, or evidence that such permits are not required.

**SECTION 263-73 - Adequate erosion control measures** shall be maintained before, during, and after construction. The Seabrook Planning Board shall determine which measures are to be considered adequate on a given site.

(Recommended by the Planning Board)  
(On the Official Ballot)

YES 819 NO 826

**ADJOURNED TOWN MEETING  
MARCH 12, 1992**

Town Officials that were elected March 10, 1992 were sworn in by Town Clerk.

Meeting called to order by Moderator Charles H. Felch Sr.

Warrant read at Town Election.

New law on RECONSIDERATION: 40:10 explained and read by Moderator Charles H. Felch Sr.

Salute to flag led by Lydia M. Gould.

Non-voters must sit on left hand side of hall.

Sponsor of article will be called on first to explain their article.

**Article 4:** To see if the town will vote to authorize the board of selectmen to borrow money in anticipation of taxes and to renew and refund town notes.

Motion by Elizabeth A. Thibodeau, second by Frederick Moulton Jr. to adopt Article 4 as read.

ARTICLE 4 ADOPTED AS READ.

**Article 5:** To see if the town will vote to authorize the board of selectmen to apply for, accept and expend, without further action by the town meeting, money from the state, federal or other governmental unit or a private source which becomes available during the fiscal year in accordance with the procedures set forth in RSA 31:95-b.

Motion by Elizabeth A. Thibodeau, second by Donna L. Smith to adopt Article 5 as read.

ARTICLE 5 ADOPTED AS READ.

**Article 6:** To see if the town will vote to authorize the board of selectmen to sell at public auction or by

advertised sealed bids such town property as is no longer used by the town.

Motion by Elizabeth A. Thibodeau, second by William Hale, to adopt Article 6 as read.

ARTICLE 6 ADOPTED AS READ.

**Article 7:** To see if the town will vote, pursuant to authority under RSA 80:42-a, to retain and hold all real property located within the marshlands and to authorize the board of selectmen to sell all other tax title property, in the first instance to former owners of the property, or the grandparents, parents, children, and spouses of said former owner, for a sum not less than the outstanding taxes owed plus accrued interest to the date of tax deed; or failing such sale, then by advertised sealed bids or public auction, at the discretion of the board of selectmen.

Motion by Elizabeth A. Thibodeau, second by John Yell, to adopt Article 7 as read.

ARTICLE 7 ADOPTED AS READ.

**Article 8:** To see if the town will vote to discontinue the Municipal Capital Reserve Sewer Fund (\$6,464,898.59), the Municipal Capital Reserve Building Fund (\$2,563,957.78), and the Municipal Capital Reserve Motor Vehicle Fund (\$809,252.45). Said funds, with accumulated interest to date of withdrawal, are to be transferred to the town's general fund.

(Recommended by the Budget Committee)

Motion by Elizabeth A. Thibodeau, second by Frederick Moulton to adopt Article 8 as read.

This Article explained by Selectmen and Town Manager.

After much discussion question moved by Francis Thibodeau, second by Frederick Moulton.

ARTICLE 8 ADOPTED AS READ.

**Article 9:** To see if the town will vote to raise and appropriate the sum of Seventeen Million Two Hundred Fifty Thousand (\$17,250,000.00) Dollars for the purpose of paying the judgements against the town in tax abatement actions for the years 1983-1986 by the owners of the Seabrook Nuclear Generating Facility, and to authorize the use/transfer of the fund balance in the amount of Seventeen Million Two Hundred Fifty Thousand (\$17,250,000.00) Dollars for this purpose and to authorize the selectmen to take all necessary action to carry out said payment.

(Recommended by the Budget Committee)

Motion by Elizabeth A. Thibodeau, second by Fred Chase, to adopt Article 9 as read.

Amendment to Article 9 by Donna L. Smith. second by Richard Keefe, to add GENERAL before fund.  
AMENDMENT ADOPTED.

Amendment by Timothy Willis, second by Richard Keefe, to add after to - carry out said payment with the agreement offered at this Town Meeting as read.  
AMENDMENT ADOPTED.  
ARTICLE 9 ADOPTED WITH TWO AMENDMENTS.

**Article 10:** To see if the town will vote to rescind the authority granted by the 1988 town meeting approving Article 14 of the 1988 warrant authorizing the withdrawal of Four Million (\$4,000,000.00) Dollars from the municipal sewer capital reserve fund.

Motion by Elizabeth A. Thibodeau, second by Donna L. Smith, to adopt Article 10 as read.  
ARTICLE 10 ADOPTED AS READ.

Motion by Timothy Willis, second by Elizabeth A. Thibodeau, to reconsider Article 9 at this time. We urge the people to vote no on this motion.  
This motion is so no one will ever be able to reconsider Article 9.  
MOTION DEFEATED.

**Article 11:** To see if the town will vote to raise and appropriate the sum of Five Million (\$5,000,000.00) Dollars for the purpose of engineering, construction, land acquisition and studies associated with the ongoing plans for the construction of municipal sewers and pumping stations, road reconstruction, drainage improvements and appurtenances related thereto, and for the funding of eminent domain procedures as necessary for land takings, and to appoint the selectmen as agents for the town for the purposes of expending said funds.

(Recommended by the Budget Committee)

Motion by Elizabeth A. Thibodeau, second by Francis Warcewicz, to adopt Article 11 as read.  
ARTICLE 11 ADOPTED AS READ.

Moderator Charles H. Felch Sr. now announces that we will go to Articles 24 & 25 at this time.

**Article 24:** On petition of Charlotte K. Marshall and two hundred thirty-nine (239) other legal voters of the town: To see if the voters of the town will appropriate a

sum of Two Million Three Hundred Thousand (\$2,300,000.00) Dollars to construct a new town library. The sum includes One Million Six Hundred Eighty Thousand (\$1,680,000.00) Dollars for construction of the building, plus Three Hundred Eighty Thousand (\$380,000.00) Dollars to adequately furnish and equip the facility, with the balance for related expenses.

(Not Recommended by the Budget Committee)

Motion by Charlotte K. Marshall, second by Eric N. Small, to adopt Article 24 as read.

Amendment by Eric N. Small, second by Elizabeth A. Thibodeau, to add the following sentence:

"Construction of the new library shall not begin until voters accept the design of the new building at a special town meeting."

AMENDMENT ADOPTED.

Petition to use yes and no ballots and check-list.

YES 230 NO 204

ARTICLE 24 ADOPTED AS AMENDED.

**Article 12:** To see if the town will vote to raise and appropriate the sum of One Hundred Thousand (\$100,000.00) Dollars as the total cost of a Coastal Zone Management (CZM) grant, to apply for Fifty Thousand (\$50,000.00) Dollars from the state and federal government as the fifty (50%) percent match to the above grant. The purpose of said funds and grant monies are for the restoration of the foredunes at Seabrook Beach in accordance with the proposed study entitled "Environmental Assessment for the Seabrook Dune Improvement Project", dated September, 1988, and to authorize the selectmen to carry out said project.

(Recommended by the Budget Committee)

Motion by Elizabeth A. Thibodeau, second by Burwell Pike, to adopt Article 12 as read.

ARTICLE 12 ADOPTED AS READ.

**Article 13:** To see if the town will vote to raise and appropriate the sum of Fifty-two Thousand Ninety-two (\$52,092.00) Dollars for the cost of Seabrook's contribution to fourteen (14) human service agencies in the seacoast area. A breakdown of each human service agency's request is as follows:

Human Service AgencyRequested  
Amount

Red Cross	\$ 300.00
Area Homemakers	3,795.00
Retired Senior Volunteers	1,300.00
Lamprey Health Care	2,600.00
Rockingham Counseling Center	2,610.00
Rockingham County Community Action	14,751.00

Motion by Elizabeth A. Thibodeau, second by Marilyn Bruneau, to adopt Article 14 as read.

ARTICLE 14 ADOPTED AS READ.

**Article 15:** To see if the town will vote to raise and appropriate the sum of Sixty Thousand (\$60,000.00) Dollars for the purpose of purchasing a new rubbish truck, and to authorize the trade in of the 1982 rubbish truck.

(Recommended by the Budget Committee)

Motion by Vernon G. Dow, second by Elizabeth A. Thibodeau, to adopt Article 15 as read.

ARTICLE 15 ADOPTED AS READ.

**Article 16:** To see if the town will vote to accept the findings of an independent factfinder, pursuant to RSA 273-A:12, that are associated with the Seabrook Police Association collective bargaining agreement for the period of February 12, 1991, until March 31, 1993. The findings of said factfinder pertain to the following articles of the union contract:

<u>Article</u>	<u>Subject Matter</u>	<u>Factfinder's Recommendation</u>
II	Negotiations	Current contract language.
VII	Grievance	Add language limiting arbitrators' authority.
IX	Temporary Service Out of Rank	Current contract language.
XII	Education	Current contract language.
XIII	Hours of Work	Current contract language.
XIV	Overtime	Current contract language.
XVII	Vacations	Increase annual accumulation to 178 hours for member with more than 10 years service.
XVIII	Insurance	Add managed care rider - rest current contract language.
XIX	Sick Leave	Increase maximum accrual of hours to 820 from 720 per year.
XX	Uniform Allowance	Current contract language.
XXI	Private Details	Increase private details to \$19.50 and \$20.50 for each year of contract.
XXII	Longevity	Current contract language.
XXIII	Wages	Add \$25 per week to patrolmen for first 6 months of 1991; and \$45 per week to patrolmen for second six months. Sergeants' wage increase to be kept 16% above patrolmen. Add 7.5% to each category for 1992. Add language referencing RSA 273-A:3(b).
XXIV	Duration	Contract to expire 3/31/93 vs 2/12/93.

The above factfinder's recommendations calls for the following increases in salaries and benefits for each year of the agreement:

Year	Estimated Amount
1991	\$ 67,814.00
1992	\$178,888.00

And, to see if the town will vote to raise and appropriate the sum of Two Hundred Forty Six Thousand Seven Hundred Two (\$246,702.00) Dollars for the purpose of funding the factfinder's recommendations for increased costs in salaries and benefits for the two year agreement for the contract years 1991 and 1992.

Amend Article III, Parking Restrictions, chapter 249-10, Violations and Penalties, A., by deleting the language there and stating and substituting therefore the following: Twenty-five (\$25.00) dollars for first violation and for each subsequent violation, the illegal parked vehicle will be towed.

This amendment shall be effective upon passage.

Motion by Elizabeth A. Thibodeau, second by Fred Chase, to adopt Article 36 as read.

ARTICLE 36 ADOPTED AS READ.

**Article 37:** To see if the town will vote to adopt the following amendment to Chapter 173, Hawkers, Peddlers and Solicitors, of the Seabrook Code as follows:

Amend chapter 173-4, License fee, by increasing the license application fee from ten (\$10.00) dollars to fifty (\$50.00) dollars.

This amendment shall be effective upon passage.

Motion by Elizabeth A. Thibodeau, second by Ivan Q. Eaton Sr. to adopt Article 37 as read.

ARTICLE 37 ADOPTED AS READ.

**Article 38:** To see if the town will vote to limit to amend Chapter 249, Article IV, Schedules, by adding the following sections to be denoted as sections 249-25:

249-25. Schedule VII: Truck parking, loading and unloading, prohibited within five hundred (500)

feet of certain streets and during certain hours.

No tractor trailer combination or truck with a box, body or platform of over twelve (12) feet in length, shall park, load or unload on any day during the hours between 11:00 p.m. and 7:00 a.m. within five hundred (500) feet of the following streets within the geographical limits within the Town of Seabrook:

1. Boynton's Lane
2. Foggs Lane
3. Folly Mill Road (both Sections)
4. Lafayette Road (Route One)
5. New Zealand Road
6. South Main Street
7. Stard Road
8. Walton Road
9. Railroad Avenue
10. Depot Lane
11. Ocean Boulevard (Route 1A)

Any violation of this provision shall be punishable by a fine of one hundred (\$100.00) dollars for each such violation.

This ordinance shall be effective as of July 1, 1992.

Motion by Elizabeth A. Thibodeau, second by Bonnie L. Fowler, to indefinitely postpone Article 38.  
ARTICLE 38 POSTPONED INDEFINITELY.

**Article 39:** On petition of George W. Staples and twenty-seven (27) other legal voters of the town: To see what action the town meeting will take to accept Greystone Lane as a public way.

Motion by George R. Staples Sr. second by Richard C. Blanchard, to adopt Article 39 as read.  
ARTICLE 39 ADOPTED AS READ.

**Article 40:** On petition of Richard J. Keefe and thirty-five (35) other legal voters of the town: To see what action the town meeting will take to regulate the sewage disposal system in Seabrook. Fees as follows: domestic fees be charged at an annual rate of Forty (\$40.00) Dollars; and that no water meters be installed for single family dwellings.

Motion by Richard J. Keefe, second by Earl S. Perkins, to adopt Article 40 as read.

Motion to move question by Earl S. Perkins, second by

Elizabeth A. Thibodeau. Motion adopted.  
ARTICLE 40 DEFEATED.

**Article 41:** To see if the town will vote to grant a warranty highway easement deed to the State of New Hampshire for a certain parcel of land situated on the west side of Lafayette Road (Route 1) in Seabrook, said parcel running parallel with Route 1 and abutting the parcel of land owned by the town where the Seabrook Community Center is now situated. Said easement is described as follows:

Beginning at a point at the southeast corner of the above referenced property as it meets Lafayette Road, thence:

Westerly by land of Steve Carbone, now or formerly, six (6'+/-) feet more or less;  
Northerly in land of the Town of Seabrook, now or formerly, two-hundred and seventeen (217' +/-) feet more or less;  
Easterly in same land three (3') feet;  
Southerly by Lafayette Road two-hundred and seventeen (217 +/-) feet more or less to the point of the point of the beginning.

Containing 975 square feet, more or less, and being a portion of that real estate recorded in Rockingham County Registry of Deeds, Book 2337, Page 829, dated April 9, 1979. And to authorize the selectmen to carry out said action.

Motion by Elizabeth A. Thibodeau, second by Ivan Q. Eaton Sr. to adopt Article 41 as read.  
ARTICLE 41 ADOPTED AS READ.

**Article 42:** To see what sums of money the town will vote to raise and appropriate for the expense of the general government for the protection of persons and property, for health and sanitation, for highways and bridges, for the support of the town poor and for all necessary expenditures for the ensuing year.

Motion by Elizabeth A. Thibodeau, second by Ivan Q. Eaton Sr., that the operating budget be passed at \$5,685,715.

OPERATING BUDGET: \$ 5,685,715  
SPECIAL ARTICLES: 25,425,517  
TOTAL BUDGET : 31,111,232

ARTICLE 42 ADOPTED AS READ.

**Article 43:** To transact all other legal business that may come before this meeting.

Motion by Police Chief, Paul J. Cronin, second by Timothy F. Willis, to reconsider Article 16.

RECONSIDERATION DEFEATED. Voice vote taken.

Motion by Bruce G. Brown, second by Stanley A. Hamel to adjourn. This Town Meeting adjourned at 10 PM.

SPECIAL TOWN MEETING LIBRARY

OCTOBER 15, 1992

Meeting called to order by Moderator, Charles H. Felch at 7 PM.

Salute to flag led by Charlotte K. Marshall.

Non voters please sit on left side of hall.

Sponsor of Article will be recogized first. All will be allowed to speak once, after all others have spoken the first may speak again.

**Article 1:** On petition of Charlotte K. Marshall and one hundred fourteen (114) other legal voters of the town: To see if the voters will approve the design of the new Seabrook library and will approve the location of the new library on town-owned land on the west side of Centennial Street between the Police Station and the Boston & Maine Railroad.

Motion by Eric N. Small, second by Ralph Smith to adopt Article 1 as read.

Motion by Owen Latham, second by Richard Keefe to use secret yes and no paper ballots.

Library Building Study Committee and Trustees introduced.

After much discussion,

Article 1 was voted by YES and NO Ballots.

YES 285 NO 66

ARTICLE 1 ADOPTED AS VOTED

**Article 2:** To see if the town will vote to authorize the board of selectmen to lease suitable premises within the town of Seabrook for the remainder of the calendar year 1992 and until March 31, 1993, for the purpose of allowing the Rockingham County Community Action Program to use the leased premises; provided however that the board of selectmen apply to that lease only those funds previously appropriated by Article 23 of the 1992 Annual Town Meeting.

Motion by Elizabeth A. Thibodeau, second by Ralph Smith, to adopt Article 2 as read.

ARTICLE 2 ADOPTED

**Article 3:** To transact all other legal business that may come before this meeting.

"I move that the Town authorize the Selectmen to accept any gift of land adjacent to the Library site if it should be offered."  
Signed and read by Stanley A. Hamel.

Motion by Bruce G. Brown, second by Virginia I. Fowler to adjourn this meeting. Time 8:45 PM.

## BOARD OF SELECTMEN/TOWN MANAGER'S REPORT - 1992

We are pleased to be able to provide you with the following report summarizing the events and activities of 1992:

The year saw normal growth activity in the residential area while several large commercial projects such as Wal-Mart and Sam's were completed.

The actual expenditures for 1992 were under the amount appropriated while revenues were higher allowing for a reduction in the tax rate. We reached an agreement with the power plant (North Atlantic Energy Service Corporation) concerning the tax abatement litigation, which saved the town a large refund.

The state approved a \$50,000 grant for the restoration of the dunes which the town voted to match in the March town meeting. The town plans to start construction in March, 1993, with the final phase to be completed in the fall/winter of 1993/1994. The state has authorized funds for dredging the harbor which should be completed in April, 1993.

The Community Action Program office has been temporarily relocated and a project has been initiated to restore the Sanborn School on Rte. 1. The Community Action Program staff in conjunction with the town personnel have initiated a grant proposal to upgrade the building as a human services facility while maintaining its historic appearance.

The sewer construction project is on target to start construction in 1993.

We would like to thank our former Town Manager Steven Clark for his dedication to the town over the last four years and wish him luck in his future endeavors.

This board would like to encourage your participation in Seabrook's government. This can be accomplished by serving as a volunteer on many committees which town government has, or attending meetings and voicing your input on how you would like to see us function. The office of the selectmen and town manager is here to serve you. Please let us know how we can improve our service.

Respectfully submitted,

Board of Selectmen

Ivan Q. Eaton, Sr., Chairman  
Asa H. Knowles, Jr.  
Elizabeth A. Thibodeau

E. Russell Bailey  
Town Manager

## ASSESSING DEPARTMENT

It becomes apparent from viewing the examples shown in the charts, that the Utility Valuations are crucial to the financial structure and outlook for the Town of Seabrook.

Utility Valuations Primarily Consider: Finance, Accounting, Economic Theory and Investment Appraisal Theory. Based upon the "EXPERT APPRAISER" the Valuation outcome can vary considerably from one value to another; even into many many MILLIONS of DOLLARS difference.

But the future outlook for the utilities is good and no drastic valuation changes are expected in the near future.

### TOWN VALUATION:

The Real Estate Market seems to have leveled off at the low end of the recession values. At the present time, there is inadequate market data to support a conclusion that the market is either growing or continuing to decline. The months ahead may produce data which will give a better indication for a valuation projection down or up.

### NEW CONSTRUCTION AND ADDITIONS TO CONSTRUCTION:

"WAL-MART AND SAM'S" have been the major growth areas for construction, but there has also been other new construction and quite a bit of additions to present construction. Considering the general state of the economy, Seabrook growth did very well.

### ANNUAL RE-VALUATION:

The Assessing Department is still maintaining the policy (and work load) of keeping property values at 100% of Market each year.

Respectfully,  
Robert F. Quinn  
Town Appraiser

### 1992 Summary of Valuation

Land	\$ 212,904,300
Buildings	3,666,702,400
Mobile Homes	36,513,400

Total Valuation Before Allowed Exemption - \$ 3,916,120,100

#### Value Credits Allowed:

(Blind, Elderly, Water and Air Pollution)	\$ 522,212,400
Veterans Credits Allowed	\$ 87,100
Total Tax Payable	\$ 23,485,841

### 1992 Tax Rate

Government	Appropriation	Tax per \$1,000
Municipal	\$12,449,863	\$3.67
County	\$ 4,018,621	\$1.18
School	\$ 7,017,357	\$2.07
<u>TAX RATE</u>		<u>\$6.92</u>

### DISTRIBUTION OF TAX DOLLAR 1992

OF EVERY DOLLAR SPENT BY SEABROOK, N. H.

If, by some event, the Power Plant was to disappear today; the tax rate, in order to cover the same expenses that we are carrying presently, would have to go from \$6.92 per Thousand of value, to approximately \$50.00 per Thousand of value.

Another method of demonstrating the need to be watchful of the "Power Plant" valuations would be:

**EXAMPLE:**

IF: A Present Property Value Of:	THE: Present Tax Bill with Power Plant Valuation would be:	TAX BILL IF: Power Plant Value Removed to State or greatly reduced:
\$ 38,000	\$ 262.96	\$ 1900.00
\$ 45,000	\$ 311.40	\$ 2250.00
\$ 55,000	\$ 380.60	\$ 2750.00
\$ 70,000	\$ 484.40	\$ 3500.00
\$ 85,000	\$ 588.00	\$ 4250.00
\$110,000	\$ 761.20	\$ 5500.00

## BUILDING INSPECTOR'S REPORT - 1992

1992 was a year of steady growth. There was an increase in the number of new homes built and mobile homes replaced.

Commercial growth has slowed down although several projects approved by the planning board have not been built.

It appears that construction of the sewer system will start this year and this office has received many inquiries as to when it will be available.

It is very important that our zoning regulations be revised to handle the new growth the sewer system will allow before it becomes operational.

### BUILDING PERMITS ISSUED:

Single Family Homes	11	\$ 683,000
Two Family Homes	2	125,000
Mobile Homes	0	
Garages	7	65,900
Commercial Buildings	4	401,000
Industrial Buildings	1	47,000
Residential Additions		
Alterations, Remodeling		
and Replacements	91	623,606
Commercial Additions		
and Remodeling	14	274,150
Industrial Additions		
and Remodeling	3	225,000
Miscellaneous	55	111,597
Renewals	7	
 TOTAL PERMITS	 195	 \$ 2,556,253

Respectfully submitted,  
Robert S. Moore  
Building Inspector

# SEABROOK BEACH VILLAGE DISTRICT BUILDING INSPECTOR'S REPORT - 1992

1992 was an active year at the Beach Precinct seeing Charles M. Kaslow appointed as permanent Building Inspector and completion of a thorough reorganization and computerization of office's records. During the year the Precinct also became an associate member of the NHMA making its resources available to this office.

To heighten home owner awareness of zoning requirements, a mailing of the District's Zoning Ordinance to each property owner of record was completed in December. Also during December, in conjunction with the NH Office of Emergency Management a review was instituted of the Precinct with respect to Flood Control Regulations to ensure the community's continued eligibility for participation in the National Flood Insurance Program. During the month of July a photographic record and review of all waterfront properties was completed in cooperation with the NH Coastal Program.

The cooperation of home owners during 1992 has been very much appreciated.

Respectfully submitted,

Charles M. Kaslow, Building Inspector  
Beach Precinct

Number of Permits  
Total 65

Project Value  
Total \$474,724

## Emergency Management-Annual Report for 1992

1992 was an active year for Emergency Management.

A new fax machine was installed in the Emergency Operating Center. This has been an asset to both the Fire Department and this Office.

Several training exercises were conducted regarding the Radiological Emergency Response Plan. The training sessions were held prior to a Federal Graded Exercise in June. The graded exercise was very successful and we received high grades.

Several hazardous material spills occurred in 1992. All were handled with professionalism by the Town Departments and private Waste and Spill Companies. I would also like to thank the North Atlantic Energy Service Corporation for their expert manpower and equipment when assisting the Town with the large fuel spill on Dec.29th,1992.

Meetings were held each month involving our Local Emergency Response Committee. This committee consists of all the local Companies that are hazardous material generators and also store large quantities of chemicals. As a result of these meetings training was offered to front line responders, and all were invited to the Companies to tour their buildings and property. This is beneficial to our front line responders.

The town Dive Team has been active this year, they are still training through-out the year to keep up their expertise.

Special needs people who need information or would like to fill out or update the survey forms should call this office at 474-5772.

This office is looking for two responsible people to be involved with the Radiological Emergency Response Plan, to be trained at the Newington Incident Field Office by the New Hampshire Emergency Management Office. They would represent the Town of Seabrook during any radiological emergency incident.

Again, I would like to thank the Board of Selectmen, Town Manager, Fire Chief, Police Chief, Water Superintendent, Road Agent, and all the Emergency Responders and volunteers that assisted in making this Office of our Town Government a success.

Respectfully Submitted,

*Norman L. Brown*  
Norman L. Brown

Emergency Management Director

## Fire Department - Annual Report for 1992

The Fire Department is dedicating this report to the memory of Ronald M. Eaton Sr. who passed away this year on May 8th. Ron dedicated most of his life to the Fire Department working his way up through the ranks. He was Fire Chief during the years of 1977-1980. Ron retired in 1984 and he is sadly missed by our Department.

As a result of town meeting appropriations and lengthy meetings with several vendors, a contract has been signed with Simon/ Ladder Trucks Inc. (L.T.I.). The ladder truck committee consisted of the following Fire Department personnel- Captain Clarence Fowler, Captain David Downs, Firefighter Horatio Lattime, Firefighter Everett Strangman, and myself. All worked hard and long to put together specifications we feel will best suit the Town of Seabrook. Delivery is expected in mid May of 1993. It will be a piece of apparatus for all of us to be proud of.

As a result of town meeting appropriations the Fire Department awarded the bid for two (2) defibrillators, delivery is expected soon. This is advanced modern equipment to better serve the townspeople.

Firefighter training is on going with some of the call and reserve firefighters. Training is conducted by Firefighter Jeffrey Brown. A Haz-Mat course was held at the Bailey Corporation facility this December. Captains Ronald Eaton Jr, David Downs, and Firefighter Jeffrey Brown attended, along with other area business employees. Several extinguisher classes have been held at various businesses this year, conducted by Captain Furmer Eaton.

Fire Safety classes are on going at the School for the students in grades 1 to 6. Tours and classes were held at the Station for the Day Care and Kindergarten children. These classes are now being conducted by Firefighter Stanley Saracy III. Smokey the Bear was at the School on April 1st. to teach grades 1-4 how to prevent Forest Fires. This was accomplished through the N.H. State Forestry Department, at our request. The teacher was Lee Gardner, Forest Ranger.

A Firefighters exam was held in mid July to establish an eligibility list to draw from if the need arises in the future. There were fifty seven (57) applicants. The exam was conducted by the N.H. Fire Standards and Training Department.

A weather monitor was installed at the Dispatch console this year. This will be a great asset to the Department in determining weather conditions and wind directions. This plays a very important role to us, especially at a Haz-Mat incident.

Fire Alarm cable work was completed at Seabrook Beach and South Main Street earlier this year and is now back in service.

A hose testing program has been established this year with bad results. We are finding that a lot of our hose is old and will not pass the required pressure test. As a result of this I will be putting an article in the town warrant to purchase new hose and fittings, your support would be greatly appreciated.

Again, as always, my personal thanks to all the Fire personnel of this Department, and the surrounding towns, all other Departments of this town, and you- the townspeople- for your continued support.

Respectfully Submitted,

*Jerry W. Brown*  
 Jerry W. Brown, Fire Chief

## HEALTH DEPARTMENT REPORT - 1992

1992 has been a year of waiting for approvals to start the sewer project. We have received the long awaited EPA permit for the ocean discharge and as soon as the Corp of Engineers issues our final permit for the plant site we can begin this much needed project. The urgency to get the sewer system operational as soon as possible is high lighted by recent changes in the states regulations for repairs to the hundreds of existing septic systems and the large expense of complying with the new requirements.

The testing the state has done on the river has shown levels of coliform too high to reopen the clam flats and the pollution in our streams is still with us.

SEABROOK HOUSING AUTHORITY  
SEABREEZE VILLAGE  
81 RAILROAD AVENUE

1992

Seabreeze Village was substantially complete in December of 1991. Punch list items and final interior work was completed in 1992. The parking lot was not complete until the summer. The landscaping is still not complete and it will be the spring of 1993 before it is done. New concrete ramps were installed at each end of Seabreeze Village so tenants with disabilities could have total access to the outside.

In March the Chairman resigned from the Authority. The Selectmen appointed Oliver Fowler to fill the vacancy. The officers and members are now:

Chairman	Fred Moulton
Vice Chairman	Charles H. Felch
Treasurer/Clerk	Paul Kelley
Member	Joseph O'Neil
Member	Oliver Fowler

Working with Stewart Property Management Company, who the Authority has retained as the agent for the property, apartments were rented as they became available. Seabreeze Village was "rented-up" and fully occupied in June.

The tenants are making good use of the common areas of the complex. There are picnics outside at the tables in the good weather and almost every day there is a group playing cards, bingo, putting together a jigsaw puzzle or just watching television inside.

In December, the first annual Christmas party and dinner was held. All tenants were invited and everyone had a good time.

Additional improvements are planned for the building in 1993 as well as social activities for the tenants in the coming year.

BROWN LIBRARY  
ANNUAL REPORT  
1992

The Library's building expansion program is now well underway - and this is the big story for the year 1992. Yes, this year was a momentous one at Brown Library for in March at the Annual Town Meeting the voters supported funding for a new building, and in October at the Special Town Meeting again the voters overwhelmingly approved of the plans and design of the project.

Other aspects of the year have been fairly typical. Library usage is up once again. The annual Book Sale was held thanks to many generous donations of materials from the public and to those who purchased items at same. The Library once again sponsored a booth at Seabrook's Old Home Days, this year an informative one depicting the expansion project. The Friends of Brown Library were active - chiefly providing support for the Building Project. Additionally, the Library's spirited Book Discussion Group continued to meet monthly - providing its participants with both a rewarding intellectual as well as social experience. Children's programs remained a focal point of the Library's activities with both an active summer program and a year-long schedule of story hours and special events.

But the real story is the new building. Currently, preparations are being made to clear the Centennial Street site, final design plans are all but completed and construction documents are being worked on by the architects. The project is slated to go out for bid in March of 1993 and the opening ceremonies should be held in April of 1994.

Although it has proved difficult to continue to uninterruptedly provide the level of Library service that the public has come to expect of Brown Library while planning for and working on the expansion project, the Library Staff has risen to the occasion and is to be commended for accomplishing just that. Visit the Library soon and see what the excitement is all about. Hours are Monday, Wednesday, Friday, 12:00 PM - 8:00 PM; Tuesday, Thursday, 10:00 AM - 6:00 PM; and Saturday, from 9:00 AM - 1:00 PM (note that the Library is closed on Saturdays during the summer months of July and August). Telephone (603) 474-2044.

Elizabeth G. Heath,  
Library Director

1992 Mosquito Control  
Year-end Report

Field work began on April 6th with surveillance of freshwater mosquito breeding sites created by snow melt and spring rains. Treatment of areas found to support mosquito larvae (aquatic stages) commenced a week later. Following the monthly "high-run" tide and 3.2" of rain in two days, salt marsh site surveillance and larvaciding treatments began on April 20th. Treatments of breeding sites continued throughout the summer after heavy rainfalls (and in the case of the saltmarshes) after the monthly "high-run" tides which reactivate these areas. This year, Field Assistant Derek Griggs returned for his sixth season working for the department.

The adulticiding phase (evening spraying of the town with the spray truck) got underway on June 3rd and continued through Sept. 17th. Adulticiding was accomplished on 42 separate nights throughout the season. Up until July 12, 1992, the Town was adulticided over two nights (east & west routes). After this date the Town was split into 3 sections (west, central, south) for better coverage during mosquitos peak activity time (the hours around dusk). Scourge (tm) adulticide (active ingredient: resmethrin) was used in the Leco Ultra Low Volume sprayer at 10 mph.

Adult mosquito population monitoring was accomplished using 3 CDC light traps baited with CO<sub>2</sub>. As in the past eight years, specimens were trapped, counted, and identified. After four straight years of high mosquito populations (directly related to heavy seasonal rainfall) 1992 monitoring showed considerably lower population levels, overall. A relatively dry spring (only 1.45" rain in May) led to lower mosquito populations throughout the summer. There were some heavy weeks, however, for the saltmarsh species Aedes sollicitans (a vicious, daytime biter) following the monthly "high-run" tides, but this species overall numbers were down for this year. Over 50% fewer specimens were trapped and identified than in 1991.

With the help of a Highway Dept. truck, 100 green-head fly traps were placed along the edges of the saltmarsh. These flies are attracted to the shade of the traps, fly up inside and are trapped in the screened-in section where they die of dehydration. Each trap catches literally thousands of these vicious-biting flies before they can reach upland areas.

Lee G. Brooks  
Supervisor  
Mosquito Control Dept.

## REPORT OF THE POLICE CHIEF - 1992

During the past year we have been fortunate in having citizens of the community become more involved in assisting the police department in reporting crimes, apprehension of criminals and testifying against these law breakers. With this continuing community effort, we will see the criminal element find other communities to prey upon.

We assisted the Police Executive Research Forum in their upcoming release of a study of your police department. We are anxiously awaiting the outcome and feel confident that we will be able to implement any changes they might recommend.

The department is continuing to send officers and dispatchers to various classes, seminars and meetings to keep them abreast with the changes in laws and regulations. The better trained an individual is the better he or she is able to serve you, the public.

I would like to thank the citizens of the community and the members of the police department for our success in 1992.

Respectfully submitted,

Paul J. Cronin  
Chief of Police

# ANIMAL CONTROL DIVISION REPORT - 1992

The animal control officer ends another busy year.

With 1993 coming, and the real danger of rabies coming into our state and town this year, the most important thing you as a pet owner can do to protect the lives of your pet and family members is to get a rabies shot for either your cat or dog. If you get bitten by an animal, whether it is a pet or wild animal, seek medical attention immediately. Again, I stress to you -- DO NOT feed wild animals or any other animal that is not yours. It may be carrying many kinds of diseases which may also include the rabies virus.

This year, we were unable to adequately control the feral cat problem mainly due to state law not addressing this troublesome animal.

The rabies clinic held in May, 1992 was not as successful as anticipated. Only 62 dogs were presented and unfortunately, only 48 cats received their rabies vaccination.

As pet owners, you should care enough about these "members of your family" to tie them up and thereby avoid the sad news "your pet will never come home again". Securing your dogs would also save you the cost of being fined if your dog is picked up wandering the streets. It could further save you kennel fees for the security of your pet.

The following is a list of calls which were responded to by A.C.O. in 1992 as compared with calls for service in 1988 ,1989, 1990 and 1991:

DESCRIPTION OF CALLS	1988	1989	1990	1991	1992

THE STATE OF NEW HAMPSHIRE

TOWN OF SEABROOK

TOWN WARRANT FOR 1993

To the inhabitants of the Town of Seabrook, in the County of Rockingham, in said state, qualified to vote in town affairs:

You are hereby notified to meet in the auditorium of the Seabrook Community Center, U.S. Route 1 (Lafayette Road), on Tuesday, March 9, 1993, at 7:00 o'clock in the forenoon and to cast ballots until at least 7:00 o'clock in the evening of the same day, and to meet in the auditorium of the Seabrook Community Center, U.S. Route 1 (Lafayette Road), on Thursday, March 11, 1993, at 7:00 o'clock in the evening to act on the articles below.

Further, you are hereby notified that the moderator will process the absentee ballots at 1:00 o'clock in the afternoon on Tuesday, March 9, 1993, pursuant to RSA 659-49.

**Article 1:** To elect by non-partisan ballot: one (1) Selectman and Assessor for a term of three (3) years; one (1) Trustee of the Trust Funds for a term of three (3) years; one (1) Town Clerk for a term of three (3) years; one (1) Treasurer for a term of three (3) years; three (3) Constables for a term of one (1) year; two (2) members of the Planning Board for a term of three (3) years; two (2) members of the Budget Committee for a term of three (3) years; one (1) member of the Budget Committee for a term of one (1) year; one (1) Park Commissioner for a term of three (3) years; and one (1) Trustee of the Library for a term of three (3) years.

(On the Official Ballot)

**Article 2:** Are you in favor of amending the Seabrook Zoning Map by expanding Zone 2 to include all land situated west of the Blackwater River and within 300 feet of Route 286?

(Recommended by the Planning Board)  
(On the Official Ballot)

**Article 3:** In Article VII of the Seabrook Zoning Ordinance are you in favor of amending Table 3 "Signs" as follows?

MAXIMUM CUMULATIVE SURFACE AREA of free standing signs in Zones 2 & 3: Change "150 square feet" to "150 square feet plus an additional 32 square feet for every business on the premises, not to exceed a total of 600 square feet". No one side of any sign shall exceed 300 square feet.

(Recommended by the Planning Board)  
(On the Official Ballot)

**Article 4:** In Article VII of the Seabrook Zoning Ordinance are you in favor of amending Table 3 "Signs" as follows?

	ZONE		
	1 & 2R	2 & 3	4 & 5
HEIGHT OF SIGN (above grade)			
Maximum for all signs:	15'	35'	-
Minimum for signs within 30' of street pavement:	6'	6'	-
Minimum for signs beyond 30' of street pavement:	0	0	-

(Recommended by the Planning Board)  
(On the Official Ballot)

**Article 5:** Are you in favor of amending Section 7 of Article VII as follows: Replace "Municipal signs" with "Municipal signs, traffic control signs, and other safety related signs".

(Recommended by the Planning Board)  
(On the Official Ballot)

**Article 6:** To see if the town will vote to authorize the board of selectmen to borrow money in anticipation of taxes and to renew and refund town notes.

**Article 7:** To see if the town will vote to authorize the board of selectmen to apply for, accept and expend, without further action by the town meeting, money from the state, federal or other governmental unit or a private source which becomes available during the fiscal year in accordance with the procedures set forth in RSA 31:95-b.

**Article 8:** To see if the town will vote to authorize the board of selectmen to sell at public auction or by advertised sealed bids such town property as is no longer used by the town.

**Article 9:** To see if the town will vote, pursuant to authority under RSA 80:42-a, to retain and hold all real property located within the marshlands and to authorize the board of selectmen to sell all other tax title property, in the first instance to former owners of the property, or the grandparents, parents, children, and spouses of said former owner, for a sum not less than the outstanding taxes owed plus accrued interest to the date of tax deed; or failing such sale, then by advertised sealed bids or public auction, at the discretion of the board of selectmen.

**Article 10:** To see if the town will vote to amend Chapter 249 of the Seabrook Code entitled Vehicles and Traffic as follows:

Amend chapter 249-17 to change parking on Atlantic Avenue from the east to the west side.

This amendment shall be effective upon passage.

**Article 11:** To see if the town will vote to amend Chapter 249 of the Seabrook Code entitled Vehicles and Traffic as follows:

Amend chapter 249-24 by deleting the asterisk (\*) after River Street to indicate that all parking is prohibited on that street year round.

This amendment shall be effective upon passage.

**Article 12:** To see if the town will vote to amend Chapter 249 of the Seabrook Code entitled Vehicles and Traffic by adding the following section and to renumber the chapter accordingly:

No person shall park any bus/trailer truck at the beach parking area north of the Warren West Memorial Building on Route 1A unless authorized by the selectmen for a special town event or activity.

This amendment shall be effective upon passage.

**Article 13:** To see if the town will vote to amend Chapter 249 of the Seabrook Code entitled Vehicles and Traffic as follows:

Amend chapter 249-18, section B, by deleting the word "issue" after "shall" in the first sentence and adding instead "have issued".

This amendment shall be effective upon passage.

**Article 14:** To see if the town will vote to amend Chapter 254 of the Seabrook Code entitled Waste Disposal as follows:

Amend chapter 254-2, section B, by deleting the words "from the office of the Selectmen" after "obtained" and adding instead "at the Town Hall".

Amend chapter 254-2, section D, by changing it to read "All permits will be renewed annually in conjunction with motor vehicle registrations".

These amendments shall be effective upon passage.

**Article 15:** To see if the town will vote to amend Chapter 254 of the Seabrook Code entitled Waste Disposal as follows:

Amend chapter 254 by adding the following section and to renumber the chapter accordingly:

254-5. Violations and penalties.

The following penalties are hereby imposed for violations of this article:

A. Thirty (30) days loss of privilege for the use of the town waste transfer station, and for each subsequent violation twenty-five (\$25.00) dollars fine.

B. Illegal entry and/or use of the town waste transfer station can result in arrest for criminal trespass (RSA 635-2).

This amendment shall be effective upon passage.

**Article 16:** To see if the town will vote to amend Chapter 249 of the Seabrook Code entitled Vehicles and Traffic as follows:

Amend Article III, Parking Restrictions, chapter 249-10, Violations and Penalties, A., by adding "at the owner's expense." after the word "towing" at the end of the section.

Amend Article II, Parking Restrictions, chapter 249-10, Violations and Penalties, B., by adding "if the parked vehicle impedes or interferes with proper public safety and traffic control" at the end of the section.

This amendment shall be effective upon passage.

**Article 17:** To see if the town will vote to amend Chapter 152 of the Seabrook Code entitled Dogs as follows:

1. Amend section 152.12 by changing the word "dog" to the word "animal".

152-12. Animal bites.

A. Whenever any animal bites a person, the owner of said animal shall immediately notify the chief of police, who shall order the animal held on the owner's premises or it shall be impounded for a period of two (2) weeks.

B. The animal shall be examined immediately after it has bitten anyone and again at the end of the two-week period by a qualified veterinarian.

C. If, at the end of the period of confinement, the veterinarian is convinced that the animal is free from rabies, the animal shall be released from quarantine or from the pound as the case may be. If the animal dies in the meanwhile, its head shall be sent to the State Department of Health for examination for rabies.

2. Amend section 152-3 by adding the categories of goat, fowl and swine.

152-3. Running at large.

It shall be unlawful to permit any dog, goat, fowl or swine to run at large at any time.

3. Amend section 152-10 by adding the category of cat.

152-10. Redemption of impounded dogs or cats.

The owner or keeper of any dog or cat impounded hereunder may redeem the same by paying all assessed costs, charges and penalties that have accrued up to the time of making the redemption. A current cat or dog rabies vaccination certificate and a valid dog license must be shown at the time of redemption. When the above requirements are met, the dog or cat shall be released to its owner.

**Article 18:** To see if the town will vote to raise and appropriate the sum of Five Million (\$5,000,000.00) Dollars for the purpose of engineering, construction, land acquisition and studies associated with the ongoing plans

for the construction of municipal sewers and pumping stations, road reconstruction, drainage improvements and appurtenances related thereto, and for the funding of eminent domain procedures as necessary for land takings, and to appoint the selectmen as agents for the town for the purposes of expending said funds.

(Recommended by the Budget Committee)

**Article 19:** To see if the town will vote to raise and appropriate the sum of One Hundred Thousand (\$100,000.00) Dollars as the total cost of a Coastal Zone Management (CZM) grant, to apply for Fifty Thousand (\$50,000.00) Dollars from the state and federal government as the fifty (50%) percent match to the above grant. The purpose of said funds and grant monies are for restoration of the foredunes at Seabrook Beach in accordance with the proposed study entitled "Environmental Assessment for the Seabrook Dune Improvement Project", dated September, 1988; and to authorize the selectmen to carry out said project.

(Recommended by the Budget Committee)

**Article 20:** To see if the town will vote to raise and appropriate the sum of Two Hundred Thousand Five Hundred (\$200,500.00) as the total cost of a Community Development Block Grant (CDBG), to apply for One Hundred Seventy-seven Thousand Five Hundred (\$177,500.00) Dollars from the state and federal government as the matching funds to the above grant. The purpose of said funds (Twenty Thousand (\$20,000.00) Dollars from the town and Three Thousand (\$3,000.00) from the Rockingham County Community Action Program (CAP) and grant monies being applied for in conjunction with CAP are for the restoration and renovation of the Sanborn School so it can be used for human service programs; and to authorize the selectmen to carry out said project. The Twenty Thousand (\$20,000.00) Dollars is to be expended only if the CDBG grant is approved.

(Recommended by the Budget Committee)

**Article 21:** To see if the town will vote to accept a parcel of land and the building known as the "Sanborn School" (Map 0007, Lot 0070) from the Seabrook Historical Society to be used for human services.

**Article 22:** To see if the town will vote to accept a parcel of land, (Lot 0009, Map 0031), called "The Chase Stumpland", without buildings, as described in a deed recorded at Book 2070, Page 191, in the Rockingham County Registry of Deeds, from Stanley Hamel to be used for library purposes only.

**Article 23:** To see if the town will confirm and ratify the Quitclaim Deed from the Town of Seabrook to the Seabrook Industrial Park Associates, Richard Boswell and John Craven, dated January 9, 1993, given in accordance with the settlement of a litigated boundary line dispute for land located off of the northwesterly side of Service Road in Seabrook, New Hampshire.

**Article 24:** To see if the town will vote to accept a parcel of land (Fishermen's Cooperative property, Map 0026, Lot 0098, located on Route 1A) from the State of New Hampshire with the condition of maintaining the current contractual agreement with the Yankee Fishermen's Cooperative.

**Article 25:** To see if the town will vote to accept a parcel of land (a portion of Map 0009, Lot 0049, located on Boynton Lane) from Wal-Mart Stores, Inc.

**Article 26:** To see if the town will vote to raise and appropriate the sum of Fifty-nine Thousand Nine Hundred Twenty-five (\$59,925.00) Dollars for the cost of Seabrook's contribution to fifteen (15) human service agencies in the seacoast area. A breakdown of each human service agency's request is as follows:

<u>Human Service Agency</u>	<u>Amount</u>
American Red Cross	\$ 600.00
Area Homemakers	4,000.00
Retired Senior Volunteers	1,300.00
Lamprey Health Care	2,600.00
Rockingham Counseling Center	3,000.00
Rockingham County Community Action	15,885.00
Seacoast Visiting Nurses	13,277.00
Seacoast Mental Health Center	3,795.00
A Safe Place	1,500.00
Seacoast Hospice	1,139.00
Sexual Assault Support Services (Women's Resource Center)	1,416.00
Rockingham County Nutrition Program	3,808.00
Richie McFarland Children's Fund	2,500.00
Crossroads	3,105.00
AIDS Response of the Seacoast	2,000.00

(Recommended by the Budget Committee)

**Article 27:** To see if the town will vote to raise and appropriate the sum of Fifty-three Thousand Five Hundred Seventy-eight (\$53,578.00) Dollars for the purpose of purchasing and equipping two (2) police cruisers and one (1) four-wheel drive emergency vehicle, and to authorize the sale or trade-in of three (3) existing police cruisers.

(Recommended by the Budget Committee)

**Article 28:** To see if the town will vote to raise and appropriate the sum of Twenty-two Thousand (\$22,000.00) Dollars for the purpose of constructing a 24' X 24' storage shed at the police station.

(Recommended by the Budget Committee)

**Article 29:** To see if the town will vote to raise and appropriate the sum of Six Thousand (\$6,000.00) Dollars for the purpose of providing rental assistance for the Rockingham County Community Action Program for the remainder of the calendar year 1993 and until March 31, 1994.

(Recommended by the Budget Committee)

**Article 30:** To see if the town will vote to transfer into the Town of Seabrook Scholarship Trust Fund, as established under Article 5 of the 1987 town warrant, the amount of Seven Thousand Five Hundred Thirty Dollars and Eighty-three Cents (\$7,530.83) which represents 1991 cable television franchise fees paid to the town.

(Recommended by the Budget Committee)

**Article 31:** To see if the town will vote to raise and appropriate the sum of Fifty Thousand (\$50,000.00) Dollars for the purpose of constructing a storage area adjacent to the gymnasium of the Seabrook Community Center.

(Recommended by the Budget Committee)

**Article 32:** To see if the town will vote to raise and appropriate the sum of Eleven Thousand Six Hundred (\$11,600.00) Dollars for the purpose of upgrading the existing playground at the Seabrook Community Center. This would include replacing some equipment, extending the play area and adjusting some access to the handicapped user.

(Recommended by the Budget Committee)

**Article 33:** To see if the town will vote to raise and appropriate the sum of Ten Thousand (\$10,000.00) Dollars for the purpose of repairing and paving the town boat ramp located on River Street.

(Recommended by the Budget Committee)

**Article 34:** To see if the town will vote to raise and appropriate the sum of Eleven Thousand (\$11,000.00) Dollars for the purpose of purchasing computer software and hardware for motor vehicle registration in the town clerk's office.

(Recommended by the Budget Committee)

**Article 35:** To see if the town will vote to raise and appropriate the sum of Twenty-four Thousand Five Hundred (\$24,500.00) Dollars for the purpose of purchasing five thousand (5,000) feet of four (4) inch storz coupled hose and necessary adapters for three (3) fire apparatus.

(Recommended by the Budget Committee)

**Article 36:** To see if the town will vote to raise and appropriate the sum of Twenty-three Thousand Five Hundred (\$23,500.00) Dollars for the purpose of purchasing and equipping with lights, radio, etc., a new one (1) ton four (4) wheel drive plow vehicle for the highway department and to authorize the sale or trade-in of the 1982 plow vehicle now in use.

(Recommended by the Budget Committee)

**Article 37:** To see if the town will vote to raise and appropriate the sum of Twenty Thousand (\$20,000.00) Dollars for the purpose of purchasing and installing an emergency generator at the town hall.

(Recommended by the Budget Committee)

**Article 38:** To see if the town will vote to raise and appropriate the sum of One Hundred Ten Thousand (\$110,000.00) Dollars for a curbside recycling program within the Town of Seabrook and to enter into a one-year contract with a private company for the purpose of operating said program.

(Recommended by the Budget Committee)

**Article 39:** To see if the town will vote to raise and appropriate the sum of One Hundred Thirty-seven Thousand (\$137,000.00) Dollars for a town operated curbside recycling program within the Town of Seabrook.

(Not recommended by the Budget Committee)  
(Recommended by the Selectmen)

**Article 40:** To see if the town will vote to amend Chapter 254 of the Code of the Town of Seabrook - Waste Disposal Ordinance by adding the following section pertaining to the curbside recycling program:

**Section 10 - Voluntary/Mandatory Provisions**

A) Recycling as herein defined shall be voluntary for the first 12 months from the start of the program.

B) Annually, thirty days prior to the anniversary date of the start of the program, the board of selectmen and the town manager shall determine if the voluntary aspect of this ordinance has been complied with to the extent that 80% of the town is participating in said program in which event the voluntary aspect hereof shall continue.

C) If the board of selectmen and the town manager shall determine that there has been less than 80% of said compliance, then this ordinance shall become mandatory. Notice of such determination shall be published in a local newspaper.

D) Should the town's recycling program become mandatory the town may refuse to pick up or have picked up the rubbish of single generators who do not separate the recyclables.

E) Any person, firm or corporation being convicted of violating any provision of this ordinance shall receive a written warning for the first violation, be fined \$100.00 for the second violation, \$200.00 for the third violation, and \$300.00 for each subsequent violation thereafter.

**Article 41:** To see if the town will vote to authorize the selectmen or their designee to negotiate a cable television franchise limited upon such terms and conditions as they feel are advantageous to the town, all in accordance and pursuant to the authority granted under New Hampshire RSA 53-C.

**Article 42:** To see if the town will vote to raise and appropriate the sum of Five Thousand (\$5,000.00) Dollars for the Cable Television Franchise Committee for review of a new contract.

(Recommended by the Budget Committee)

**Article 43:** To see if the town will vote to raise and appropriate the sum of Thirty Thousand (\$30,000.00) Dollars for the purchase and installation of new windows in the town hall plus painting interior/exterior sections of the building.

(Recommended by the Budget Committee)

**Article 44:** To see if the town will vote to raise and appropriate the sum of Fifteen Thousand (\$15,000.00) Dollars for the conversion of street lights to energy efficient sodium with pay-back in approximately two years.

(Recommended by the Budget Committee)

**Article 45:** To see if the town will vote to raise and appropriate the sum of Ten Thousand (\$10,000.00) Dollars for repairs at the transfer station to include paving, drainage, fencing and maintenance of the trailer operation.

(Recommended by the Budget Committee)

**Article 46:** To see if the town will vote to raise and appropriate an additional Two Hundred Fifty Thousand (\$250,000.00) Dollars for the installation and maintenance of groundwater monitoring wells and installation and construction of a facility to treat the Gruhn site.

(Recommended by the Budget Committee)

**Article 47:** To see if the town will vote to raise and appropriate the sum of Thirty Two Thousand Three Hundred Twenty (\$32,320.00) Dollars for the purpose of purchasing a loader backhoe.

(Not Recommended by the Budget Committee)

**Article 48:** To see if the town will vote to ratify the financial terms of the two year, 1991-1992, collective bargaining agreement signed on September 2, 1992, between the board of selectmen and the Seabrook Police Association, which calls for a Eighty-one Thousand Seven Hundred Seventy-one Dollars and Ninety-nine Cents (\$81,771.99) increase in salaries and benefits for the fiscal year 1991, and a Forty Thousand Nine Hundred Seventy-three Dollars and Twenty-five Cents (\$40,973.25)

increase in salaries and benefits for the fiscal year 1992, and a Eighty-five Thousand Three Hundred Forty One (\$85,341.00) Dollars to cover the approved contract commitments for salaries and benefits for the fiscal year 1993.

(Recommended by the Budget Committee)

**Article 49:** To see if the town will vote to ratify the financial terms of the collective bargaining agreement reached on February 10, 1993, between the board of selectmen and the Seabrook Supervisory Employees Association, which calls for a Twenty-two Thousand Six Hundred Fifty-four (\$22,654.00) Dollar increase in salaries and benefits for the fiscal year 1993.

(Recommended by the Budget Committee)

**Article 50:** To see if the town will vote to ratify the financial terms of the collective bargaining agreement reached on February 17, 1993, between the board of selectmen and the Seabrook Employees Association, which calls for a Sixty-five Thousand Five Hundred Thirty-nine (\$65,539.00) Dollar increase in salaries and benefits for the fiscal year 1993, and a Fifty-two Thousand Six Hundred Forty-eight (\$52,648.00) Dollar increase in salaries and benefits for the fiscal year 1994.

(Recommended by the Budget Committee)

**Article 51:** To see if the town will vote to ratify the financial terms of the collective bargaining agreement reached on February 8, 1993, between the board of selectmen and the Seabrook Firefighters Association, which calls for a Thirty-one Thousand Two Hundred Seventy-seven (\$31,277.00) Dollar increase in salaries and benefits for the fiscal year 1993, and a Forty-seven Thousand Four Hundred Eleven (\$47,411.00) Dollar increase in salaries and benefits for the fiscal year 1994, and a Forty-nine Thousand Six Hundred Thirty-four (49,634.00) Dollar increase in salaries and benefits for the fiscal year 1995.

(Recommended by the Budget Committee)

**Article 52:** On petition of Elinor P. Mawson and thirty-five (35) other legal voters of the town: To see if the town will vote to raise and appropriate the sum of Twenty Thousand (\$20,000.00) Dollars for the purchase of books, supplies and equipment for the Town Library, (said sum represents a 15% cut from the operating budget by the Budget Committee).

(Not Recommended by the Budget Committee)

**Article 53:** On petition of Timothy F. Willis and twenty-nine (29) other legal voters of the town: To see if the town will vote to raise and appropriate the sum of Five Thousand (\$5,000.00) Dollars to be used by the Seabrook Beach Village District at the discretion of The Bonfire Committee for the sole purpose of providing a fireworks display at the annual 3rd of July bonfire on Seabrook Beach.

(Recommended by the Budget Committee)

**Article 54:** On petition of Margaret A. Gynan and one hundred five (105) other legal voters of the town: To see if the town will vote to raise and appropriate the sum of Forty-six Thousand (\$46,000.00) Dollars for the purchase of a Handi-cap Special Needs Vehicle for transportation for the citizens of the town of Seabrook who are disabled or physically handicapped. The vehicle and personnel to be under the recreation department.

(Not Recommended by the Budget Committee)

**Article 55:** On petition of Gregory T. Brown and twenty-seven (27) other legal voters of the town: To see if the town will vote to raise and appropriate One Hundred Thirty-six Thousand (\$136,000.00) Dollars to purchase the land and building located at 51 Gove Road owned by Herbert and Pamela Brown; said lot being 100' frontage and 200'in depth; for the purpose of the expansion of Governor Weare Park.

(Not Recommended by the Budget Committee)

**Article 56:** On petition of Anne M. Watts and twenty-five (25) other legal voters of the town: To see if the town meeting will vote to adopt and accept Anne's Lane so called and to plow and maintain the same.

**Article 57:** To see if the town will vote to accept Maple Ridge Road, so called, as a town road and to maintain and plow the same.

**Article 58:** To see what sums of money the town will vote to raise and appropriate for the expense of the general government for the protection of persons and property, for health and sanitation, for highways and bridges, for the support of the town poor and for all necessary expenditures for the ensuing year.

**Article 59:** To transact all other legal business that may come before this meeting.

Given under our hands and seals this 22nd day of February, in the year of our Lord One Thousand Nine Hundred and Ninety-three.

## INVESTIGATIONS DIVISION - 1992

During the compilation of criminal statistics for 1992 it was noticeable that although the number of new cases received increased by forty-five [45%] percent [833 cases in 1991 - 1519 cases in 1992], the felony crimes still constituted approximately one [1/3] third of the whole [496 in 1991 - 429 in 1992]. Although the felony issues we faced were slightly lower, the violence of many remained high. The tragedy of this years homicide of a local businessman required many months of intense investigation. We take this opportunity to thank the N.H. State Police Major Crime Division for its assistance in this matter. Violent activities, unfortunately, continue and obviously require a more expeditious response. There is still no doubt that the socially crippling drug sub-culture continues to take its toll criminally and; as was noted in last years report, clearly the economic condition of the country has played a critical part in the continuation of property crimes as well.

The detective division continues to be staffed by only two officers - Det. James Cawley and myself. Det. Cawley's continuing efforts have certainly allowed us to maintain a reasonable response to most of the case load. Unfortunately, we lost Det. Cawley to the National Guard for the humanitarian effort in Somalia, fortunately, he has returned and is continuing with his efforts. Of the one thousand five hundred nineteen [1519] new cases noted this year, one thousand three hundred seventy one [1371] cases required further investigation or follow-up. Of the one thousand three hundred seventy one [1371] cases, one thousand twenty seven [1027] cases were ultimately cleared by arrest, indictment, unfounded status or exceptional means [for a clearance rate of approximately 74.9%] - the remaining three hundred forty-four [344] cases are still open/pending or suspended. It should be noted that the clearance rate for crimes against persons shows over ninety [90%] percent. This is not inclusive of the two hundred eleven [211] cases which still remained under investigation from 1991.

We brought forty-two [42] indictments to the Grand Jury of the Rockingham Superior Court and received forty-one [41] True Bills with one [1] case being remanded to the District Court level.

In many instances throughout the year, we have found ourselves involved in cases involving multiple agencies - local, state and federal. The cooperation between our agency and others has certainly positively influenced the clearance of criminal activity in all locales.

This writer continues to be active in the interviewing and investigation of cases in which children have been allegedly physically or sexually abused and/or seriously neglected. My continued activity in this area has been largely due to the recent transfer of juvenile officers [continued training] and the case load with which the Youth Services Division was faced this year [nearly tripling the number of cases from 1991]. Officer James Deshaies has spent his first full year as Y.S.O. and has adapted admirably to the task. His rapport and positive influence with the children has been noted and his participation within the school system has resulted in much positive input from teachers.

Our Prosecutor, Melissa Walker continued to handle all cases which found themselves within the Hampton District Court. During the course of the year, Off. Walker has maintained all of her duties [inclusive of all clerical requirements] as well as having been very active in the in-house computer system which went on-line this very year in May. This additional responsibility has been quite time-consuming; however, she is continuing as systems administrator for the department. Her responses to crises with the new machinery have been consistent and helpful.

The Investigations Division continues to process, control, transport and secure all evidentiary and/or possessed property. We are additionally responsible for security of all major crime scenes and the collection [as well as possible processing] of latent evidence. This Division acts in a liaison/advisor/assistance capacity to the Patrol Division with cases on which they will be following up as well as coordinating efforts between this agency and outside law enforcement agencies.

Once again, we must make note of the excellent job being done by the Patrol Division. Their diligence and dedication to their jobs have resulted in recoveries of property, much needed intelligence and first responder security of scenes pending our arrival. Further, officers within the Patrol Division have followed up on cases of their own with success. This coordinated effort has resulted in clearances of many cases as well as arrests and/or indictments. The Investigations Division clearly would suffer greatly without the consistent input and assistance of Patrol. We are very pleased with the return of our department's drug officer - Sgt. Mark Preston. Sgt. Preston's return from Task Force Duties has resulted in his bringing a great deal of knowledge in this area to the department and we look forward to a more effective impact on the drug problem in our town.

The Animal Control Officer's position is part-time within this Division. A.C.O. Jeffrey Baillargeon's report will show an obvious increase in calls consistent with other areas of this Division. In the face of limited time on duty, Jeff continually responds to assist in animal-related situations. His tenacity in his job has certainly had a positive effect on the community at large and we look forward to his continuing with the Seabrook Police Department in the future.

The Investigations Division handles administrative duties pertinent to all felony criminal cases handled through this office as well as records keeping for NCIC [National/Statewide Criminal Network], responses to inquiries, etc... This writer remained active through most of the year with the State Incident Based Reporting System Committee which is preparing the standardized statewide reporting IBRS system in New Hampshire. Det. Cawley has taken over the completion, maintenance and appropriate distribution [federal/state/in-house] of fingerprints for us. We continue to respond to crime scenes [where applicable] in order to process those scenes for evidentiary/forensic items, latent prints, etc... All of these activities require manpower hours to accomplish and do NOT include all aspects of the clerical requirements which we handle exclusively. This is primarily due to there being no clerical staff for the Investigations/Prosecution or Youth Services Divisions. This writer further reviews ALL initial investigation reports submitted within the department for status assignments.

This writer supervises the activities of the Investigations, Prosecution and Youth Services Divisions as well as Animal Control. We are also active in the in-house training of new officers as well as some in-service training. Officer Walker continues to volunteer her time to train officers at the New Hampshire Standards and Training Facility in Concord, N. H. as well. All of the officers in these divisions are cross-trained so that they can fill in for each other in one's absence.

Last year, we installed a crime line for confidential informants. Although this line is not funded and no one receives money for calling, we have found that we do receive calls and the information is often of consequence. We hope that as our community awakens to the need for a joint effort between police and civilians, this line will be used on a regular basis. It is clear that many of our citizens are realizing the need to get involved in crime prevention and police follow-up in order to more firmly establish a safe and secure environment.

We look forward to 1993 to be even more challenging. this division has been quite fortunate over the past year or so to have obtained equipment which affords us the opportunity to more professionally and successfully follow-up in evidentiary/latent matters. It is natural, however, that in light of the increase in case load, we hope to add to our staffing in order to more effectively serve the town.

The following are statistics for cases worked by this division for the year 1992 in comparison to figures from 1990 and 1991:

	<u>1990</u>		<u>1991</u>		<u>1992</u>

OFFICE OF THE PROSECUTOR - 1992

Now that the influences of the nuclear protest arrests have totally worked their way through the system the prosecution numbers can finally reflect routine activity for the town.

The college intern program with Northern Essex Community College continues to be an avenue of influence on your minds, and a popular one at that. I receive many calls from students wishing to train with us. Unfortunately we only have the capability of handling one student per year.

This fall I started back to school to work on my masters degree. Although it's a very demanding program I still find time to teach an ever expanding load of courses at the Police Academy.

The following is a statistical synopsis of the year's activities:

	<u>1991</u>	<u>1992</u>
TOTAL CASES PRESENTED TO COURT	2631	2444
FOUND GUILTY	1233	1322
FOUND NOT GUILTY	33	20
PLED NOT GUILTY, SET FOR TRIAL	447	376
CONTINUED TO ANOTHER DATE	450	315
DEFAULTED APPEARANCE	169	157
NOLLE PROSEQUIED	66	103
DISMISSED	13	10
CONTINUED WITHOUT A FINDING	77	97
MISCELLANEOUS HEARINGS	37	30
PROBABLE CAUSE HEARINGS	03	05
EXTRADITION HEARINGS	03	01
GRAND JURY INDICTMENTS	51	48

There are 88 cases that have been carried over from 1992.

Respectfully submitted,

Melissa G. Walker  
Prosecutor

## YOUTH SERVICE ANNUAL REPORT FOR 1992

This has been a most challenging year for the Youth Services Division which experienced a marked increase in total case load compared to last year. This increase in activity is consistent with increases shown throughout the Services Division. It should be noted that the entirety of the Seabrook Police Department's Patrol Division offered continued assistance in dealing with criminal activity and although the number of court cases increased as well, we still maintain our position on attempting out-of-court diversions, mediation options and developing positive input with parents and school in order that difficulties may be addressed in all arenas.

In the face of these activities, this division continues to see a positive effect on our children by virtue of the efforts of the entire Seabrook Police Department to be more than enforcers. We are pleased with the response we are met with by children who understand that police are also friends and care-givers.

Some of this divisions collective preventative efforts have included fingerprinting of young children, continuation of department programs such as "Hug-A-Bear" and "Adopt-A-Cop" as well as programs within the school i.e. "Officer Phil Safety Program" and last but certainly not least, the continuation of the D.A.R.E. program.

The D.A.R.E. curriculum was presented this year by Sgt. Michael Frost within the Seabrook Elementary School, pending this writer's completion of the D.A.R.E. training program. This program has been met with such a profoundly positive reception, it will certainly remain a part of the Seabrook Police Department's proactive planning for the youths of the town. We thank Sgt. Frost for his continued commitment to the children and the program during this transition period.

We would like to take this opportunity to thank the business community of Seabrook for their support, not only for the D.A.R.E. program, but for their willingness to afford space for the fingerprinting of children, bicycle registrations, etc.

NOTE: A bicycle registration is planned to be held during the month of May, 1993. Please check your local newspapers for specific dates, times and locations.

Although this Division must continue with its role of investigatory responsibilities and the protection of abused, neglected or exploited children as well as delinquent youth, our focus is on the positive development of our children - the early interaction between the police department, schools, parents and these children. We see this as the most beneficial avenue we can take for our children to help guide them away from the dangers that may await them.

This Division would like to envision its future role as proactive rather than reactive and we will continue to work towards that end.

The following figures will denote statistics for the Youth Services Division for 1991 & 1992:

<u>1991</u>	<u>1992</u>	
89	98	Cases handled at Hampton District Court.
04	03	Cases handled at Superior Court.
26	92	Cases of delinquency.
05	10	Cases involving neglect.
07	09	Cases involving abuse.
16	14	Cases involving C.H.I.N.S.
10	13	Cases of sexual assault.
21	63	Cases handles out of court/diversion.
04	09	Cases pending investigation
56	166	New Cases
11	17	Cases involving placements.
18	20	Cases involving runaways.

## 1992 ANNUAL REPORT OF THE SEABROOK RECREATION COMMISSION

*The members of the Seabrook Recreation Commission are: Vernon Small, Chairman; William Moore, Jr., Vice Chairman; Charlotte Dow, Secretary; Rosemary Eaton, Parks Department; Asa Knowles, Selectmen; Elliot Eaton and Salvatore Rubera. The administrative staff of the Seabrook Recreation Department are Sandra Beaudoin, Director of Recreation and Edward Pickard, Assistant Director.*

The Recreation Commission and Staff continue to provide many of the favorite established programs and leisure services for Seabrook residents of all ages. Year after year, the Recreation Department has been subjected to budget cuts during budget reviews. The year 1992 was no different, again it took the staff and volunteers dedicated efforts to meet most of recreational interests as in the past. The parent volunteers are constantly donating their efforts to fund raise and cover the cost that the recreation department is unable to fund. The department's chance to grow was limited in 1992, but some new programs and special events were added which included a Gingerbread House Craft Workshop, RSVP Social, Sr. Citizen Awareness Day, Youth Soccer Team, trip to the Circus and others. The variety and number of programs are displayed further within this report.

Projects for the year of 1992 included purchasing a new copier for the Community Center to replace the old copier which was breaking down often. To aid in making the center more comfortable during cold and hot days, four adjustable ceiling fans were installed in the lobby area of the Community Center. The department also purchased two more sections to add to the portable staging for the Center's gymnasium to be used by pageants and special events. The Center's two single bathrooms were reconditioned with new wall material which should be easier to maintain. Annually, the Center is shut down for two maintenance weeks to help keep up the Community Center, in which great pride is taken by all those involved.

### SEACOAST COCA-COLA IN 1992

Seacoast Coca-Cola Bottling Co. continues to support a number of our youth & adult programs even though times are hard. During 1992, the company provided beverage products, Cola Water Bottles and \$1,500 in sponsorships. The programs which were supported included film for photos with Santa, uniforms for the SCC Teen basketball team, uniforms T-Shirts for the Youth basketball league and a donation for the Miss Seabrook Contest.

The following indicates the *DAILY AVERAGE* of people using the Seabrook Community Center during the four sessions of programs offered by the Recreation Department.

ACTIVITIES	JAN-MAR	APR-JUNE	JULY-AUG	SEPT-DEC

## 1992 SEABROOK OLD HOME DAYS

The 1992 Seabrook Old Homes Days were again a success and filled with entertainment and fun. The 12th annual Miss Seabrook Contest opened the Old Home Days on Thursday, August 13th where over two hundred and fifty people witnessed Christy Hill being crowned as the 1992 Miss Seabrook. On the following night Carol Thurlow was crowned Jr. Miss Seabrook. On Saturday, August 15th over 20 local non-profit groups, town departments and others provided food, crafts, contests, entertainment and more. Included in the day were: field races, diaper derby, egg throw, hula-hoop, arm wrestling, best home made pie, musket shoot, pie eating, doll carriage parade, decorated tricycle, corn husking, horseshoes, cribbage, bingo, softball tournament, cow chip sweepstakes, Monte Carlo, pee-wee races, skillet throw, a variety of entertainment, fireworks and more. On Sunday, the Seabrook Lions club held a Turkey shoot as an Old Home Days event.

In conclusion, the commission and department staff, extends a special thanks to all those who helped to maintain and carry-out the variety of programs which were offered during 1992.

Commission and Staff

## RECYCLING FEASIBILITY STUDY COMMITTEE

The recycling committee wants to thank Steve Clark for his assistance and efforts in developing a recycling program. We have two new members -- Russ Bailey, new town manager, and Jim Fuller.

The recycling committee is proposing several warrant articles for the 1993 town meeting. There is new legislation in Massachusetts that requires communities to have a recycling program for cans and bottles by April 1993. Since we send our waste to Ogden-Martin in Haverhill, we will also be impacted. Due to this legislation and the overall need for a program, we are again asking everyone to support funding for a recycling program. We have proposed two options, one, a recycling program that will provide curbside pickup of newspaper, aluminum/steel cans, glass and some plastics. This would be a one year contract with a private company who would collect and process all of the materials at a maximum first year cost of \$110,000.

The second option would be a curbside collection program of the same materials as option 1 except this would be a town operated program including the collection and processing at a maximum first year cost of \$137,000.

We hope that enough people will support one of these options as the town needs a recycling program which will meet the requirements of present and future regulations, reduce our costs at Ogden- Martin and meet our commitment to the environment.

Respectfully submitted,

Recycling Committee

### TOWN OF SEABROOK SCHOLARSHIP FUNDS - 1992

The committee has held regular meetings this year.

After reviewing and grading the applications, awards were given to twenty two (22) applicants. Seven (7) of these were presented at awards night at the Winnacunnet High School and fifteen (15) recipients were notified by mail.

Respectfully submitted,

Vernon Small, Chairman  
Arnold Knowles, Secretary

## ROAD AGENT'S REPORT

1992

At the first of the year time was spent in cutting brush along town roads.

During the year time was spent in hauling gravel, hauling loam, hauling cold patch, hauling salt and brush.

Drainage pipe was installed on Atlantic Avenue, Farm Lane, Walton Road, Railroad Avenue and South Main Street.

The maintenance and repairs on the vehicles and equipment was done. The Highway department helped the Water department and also helped at Old Home Day.

Extensive repairs were made at the pier on River Street by an outside contractor.

A York rake was purchased to work on Cross Beach Road. This road cannot be hot-topped because of environmental reasons, so this rake has to be used to level the road.

The Highway department was called in to help with an oil spill on the river behind the old police station. At the time the beach was closed to the public.

Employees of the highway department attended an emergency management meeting.

Many signs were installed at various roads, on the beach and at the dump.

We were called out to put earth barricades at Haverhill Street during a storm to prevent the beach from flooding.

The beach rake was used several times. Atlantic Avenue was marked off for handicapped parking.

The parking lot behind the old police station was cleaned and the barrels emptied.

Mowing, raking, and cleaning was done in all cemeteries.

  
Vernon G. Dow

## SEWER COMMITTEE

Construction on the town-wide sewage system has been scheduled to start in April 1993. This has come about through the efforts of all involved to obtain the EPA NPDES and the Army Corp of Engineers 404 permits. The Massachusetts CZM finally signed off on our project in October of 1992 and the EPA followed closely behind with approval of their discharge permit in November 1993.

There will be ten contracts covering the construction of the plant, outfall pipe, pump stations and overall collection system. The easement sub-committee has been busy contacting residents and businesses to obtain approval to construct the collection system pipe through their properties. Our plan is to have the entire collection system installed by the time the waste treatment plant is operational and ready to receive effluent. This means that construction activity will be almost continuous in some part of the town during the next 3-4 years.

We plan to request an additional \$5,000,000 in 1993 as planned and our original finance projections are on target. We will start the bonding in 1993 to ensure sufficient cash flow during 1994-1995. The project will also include drainage improvements and paving of all town roads upon completion of the construction.

During construction there will be some inconvenience due to trenching and road reconstruction causing traffic delays. We will do everything we can to minimize these items, but would ask for everyone's cooperation and patience. This project is very important to the town of Seabrook and upon completion it will provide for an infrastructure that will meet our future needs and provide for economic growth.

Respectfully submitted,

Sewer Committee

Ivan Q. Eaton, Sr., Chairman  
Asa H. Knowles, Jr.  
Elizabeth A. Thibodeau

E. Russell Bailey, Town Manager

## STREET LIGHT COMMITTEE REPORT - 1992

Due to the illness of the street light committee chairman and another member of the committee being hospitalized for a few weeks, the street lights in the town were not checked as often as they had been in the past few years. However, during the year all town street lights were checked and those that were either malfunctioning or not illuminated at all were reported to the board of selectmen.

Several requests were made for additional street lights and as a result six (6) additional lights were installed during the year.

We hope to serve the town as well as we have in the past and better in the future.

E. Albert Weare, Chairman  
Marion B. Kinlock  
Charles Kaslow

## WELFARE AGENT'S REPORT - 1992

Once again, I am pleased to report to you the taxpayers and citizens of Seabrook for the fiscal year 1992.

The welfare budget has spent an aggregate of \$73,659.00 which is an over draft of \$1,812.00 and has received a total of \$9,430.00. The monies received on welfare is the result of the persons receiving assistance and repaying the town's general fund through agreements, court actions, assignments and/or liens.

Again the New Hampshire economy has a direct effect on welfare budgets. It would be redundant for me to address this in my report, and the whole economy here in New Hampshire portends it will worsen. The agencies which help in indigent cases are all operating on less monies and town welfare is the last resort.

Respectfully submitted,

James C. Falconer  
Welfare Agent

## CONSERVATION COMMISSION REPORT - 1992

The conservation commission has not been required to be as involved this past year as it has in previous years. However, with the expected change in the economy and town projects that are in the planning stages, such as the town sewerage system, the Cains Brook project and possible plans to clean up and put back to its original state, Chases Pond which is located in the rear of the community center.

There are also many other progressive plans to utilize questionable areas of the town. The town has already put into motion the dunes restoration project at Seabrook Beach and is anticipating making use of the spoils from the dredging of Seabrook-Hampton Harbor to rebuild that natural barrier as protection from severe ocean storms.

The commission is aware of requests being made to the New Hampshire Wetlands Board by owners of the beach front properties, to place rip-rap and sand on the beach front north of Hooksett Street to correct serious erosion from recent storms and protect valuable property. The property owners have requested this at their own expense.

It looks like a busy year ahead and the commission will be prepared to deal with conservation matters.

Respectfully submitted,

Charles H. Felch, Sr., Chairman  
Conservation Commission

### Cable Franchise Agreement Committee

In July of 1992 the Board of Selectman formed a cable franchise agreement committee. The newly appointed members were William E. Kelly, James C. Falconer, Tracy Dow, Robert Tiffany, and Charles A. Polito Jr.

This Committee is charged with the responsibility of negotiating a successor franchise agreement and/or an alternative agreement with Continental Cablevision. The current agreement is due to expire in 1995. Federal law requires that the initiation of negotiations of a successor agreement begin 30 to 36 months before the current agreement expires.

In the beginning of the renewal process things move along slowly, there are rules and regulations and Federal guidelines to follow. As I write this, the first steps in the process have been taken by forming the Committee, meeting with Continental Cablevision, and also having the first of two public hearings. This first hearing was to review the past performance of Continental Cablevision in the Town. Approximately thirty Townspeople attended this meeting. The majority of the comments made were that Continental Cablevision had been doing a good job in answering complaint calls, and in their service calls to customers. Most of the complaints addressed to the Committee were of subscribers having poor reception or that the cable company did not provide certain programs, such as CPAN fulltime or the Monitor channel for example.

We as a Committee are dedicated to seeing that the Town of Seabrook is provided with the best cable system feasible, and when new technology is developed it will be incorporated into our system as soon as possible, and also that the subscribers get the most value for their money.

Respectfully Submitted

*Charles A. Polito Jr.*

Cablevision Committee Chairman

#### SEABROOK ECONOMIC DEVELOPMENT COMMITTEE REPORT - 1992

The Seabrook Economic Development Committee was formed by action of the Board of Selectmen on October 14, 1992. Warren E. Leavitt was appointed interim Chairman and was instructed to form the Committee and to report the efforts and results to the Board. Liaison with the Board would be through the office of the Town Manager.

On December 9, 1992 the Committee held it's initial meeting in the Rose Room of the Town Hall. Present were; Ron DeMille; Mary Ganz; Dan Herzog; Jason Janvrin; Warren Leavitt; Francis Thibodeau and Seabrook Building Inspector Robert Moore.

The Committee elected Warren Leavitt permanent Chairman, determined that the focus of the Committee would be to help existing Seabrook businesses and to bring new "light industry" to Seabrook.

The Committee is investigating many opportunities for the expansion of the Seabrook job market and to bring more employment opportunities to the Town.

Respectfully Submitted

Warren Leavitt, Chairman

## BOARD OF ADJUSTMENT REPORT - 1992

The zoning board of adjustment has heard sixteen cases this past year.

We have had no appeals from the board's decisions to the courts, which pleases the board and indicates that the training courses and the board's attendance at the annual law lecture series does pay off.

All land board members and zoning board members by law serve without compensation. We operate on a "bare bones" budget and can get most of our legal advice and opinions from the legal staff of the New Hampshire Municipal Association or law lecture series at no cost to the town.

Respectfully submitted,

  
James C. Falconer, Chairman

## CITIZENS PETITION ADVISORY COMMITTEE - 1992

As you the citizens and taxpayers know from previous reports, the Seabrook Home Rule Charter is unique in that Seabrook is the only town in the State of New Hampshire which has a provision in its charter for advising citizens on petitions for warrant articles.

The advisory committee has the resources to consult with various legal authorities on petitions, thereby eliminating the possibility of an article being ruled inexpedient or illegal.

All petitions must be submitted to the selectmen regardless of what is being proposed. There are different dates for some warrant articles, and citizens should check with the town offices to get the deadline dates.

Again, it is a pleasure to make this annual report to the citizens of Seabrook.

Respectfully submitted,

Bruce G. Brown, Chairman  
James C. Falconer, Clerk  
Eric N. Small, Member

*INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION*

To the Members of the  
Board of Selectmen and Town Manager  
Town of Seabrook  
Seabrook, New Hampshire

We have audited the accompanying general purpose financial statements and the combining and individual fund financial statements of the Town of Seabrook as of and for the year ended December 31, 1991, as listed in the table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except that omission of the General Fixed Assets Account Group results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Seabrook as of December 31, 1991, and the results of its operations (and cash flows of nonexpendable trust funds) for the year then ended in conformity with generally accepted accounting principles. Also, in our opinion, the combining and individual fund financial statements referred to above present fairly, in all material respects, the financial position of each of the individual funds of the Town as of December 31, 1991, and the results of operations of such funds for the year then ended in conformity with generally accepted accounting principles.

 *Paul J. Murawski* CAA

## 1992 WATER DEPARTMENT REPORT

There were 463,219,114 gallons of water pumped in 1992. This 16,586,858 gallon increase over the previous year was due to the increase in both the domestic and industrial-commercial use.

Industrial-commercial use increased from 126,496,670 gallons in 1991 to 130,433,526 gallons in 1992. Five commercial meters were added with Wal-Mart, Shaws, and Sam's Club using 1.5, 1.0, and .9 million gallons respectively. While Seabrook Station had a 3.5 million gallon decrease, Bailey Co., Spherex, K.J. Quinn and Dexter Hysol had increases of 2.6, 1.2, 1.0 and 0.4 million gallons respectively.

Only 12 water services were installed in 1992. Of these three were commercial including a minor sub-division off Weare Road, the Banana Tree, and a 10 lot sub-division off Whittier Drive.

Four fire hydrants were repaired after being damaged by motor vehicles. The hydrants were located on Railroad Avenue, Route One, Folly Mill Road, and Riley Road.

Several leaks were reported last year but only a few had to be repaired by the crew. The larger of these were 2" mains on River Street and Adams Avenue, a 6" main on Causeway Street and we assisted with an 8" main at the Bailey Company.

At our rock well pump station off Route 107, we updated some of the equipment by replacing all 4 water meters and recorders.

Gravel packed well #4, off Ledge Road, was cleaned by Hydro Group of Dracut MA.

Water mains and services were located and marked for test boring pertaining to the upcoming sewer project.

All the water mains in town were flushed twice, once in May and again in December. Also in December the Route 107 water standpipe was drained and chlorinated.

The crew observed the installation, flushing, testing, and chlorinating of an 8" water main, with 10 services and 2 fire hydrants to a sub-division off Whittier Drive.

We have completed the first round of water sampling for levels of lead and copper in the drinking water. This was accomplished in December with the town submitting samples with the help of 41 home owners who

participated. The results showed that Seabrook's water fell well below EPA maximum limit standards and the town will not have to take any corrective measures.

The crew assisted Hydro Group of Dracut, MA in a pilot program at the Gruhn contamination site in Hampton Falls. Water contaminated with Trichlore Ethylene and Tetrachlore Ethylene was pumped and cleaned through a stripping tower erected on the property. This program lasted about three weeks. Through our engineers, Whitman and Howard of Wellsley, MA., we will be doing more extensive work in the near future at this site.

Whitman and Howard of Wellsley, MA., also engineered the drilling and developing of a new 12", 500' deep rock well. A & W Artesian Well Co. Woonsocket, RI accomplished the drilling. Site and road work was completed by the water department crew. Preliminary reports show this well is of a good quality and quantity. When approved by the State of NH, a new pump station will be constructed.

Again we would like to thank everyone for observing our partial water ban which was imposed over the summer months. This ban limited outside use of water except between 7:00 a.m. and 8:00 a.m. and between 7:00 p.m. and 8:00 p.m. Hopefully the new well and pump station when constructed will eliminate a future ban.

Remember water is a precious and useful resource and should be used wisely and not wastefully.

Respectfully submitted,

Warner B. Knowles  
Water Superintendent
